

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF FLEMING-MASON	)	
RURAL ELECTRIC COOPERATIVE	)	
CORPORATION'S REVISION TO ITS	)	CASE NO. 89-314
ELECTRIC POWER TARIFF	)	

O R D E R

Before the Commission is the application of Fleming-Mason Rural Electric Cooperative Corporation ("Fleming-Mason") for approval of a revision to its electric power tariff. The application was filed as a result of a proposed decrease in power costs from Fleming-Mason's wholesale power supplier, East Kentucky Power Cooperative, Inc. ("EKPC").<sup>1</sup> The rates proposed by Fleming-Mason are intended to flow-through to its customers the scheduled power cost reduction from EKPC. Fleming-Mason's revised tariff was to have become effective December 1, 1989 but was suspended for a period of 5 months.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. EKPC, Fleming-Mason's wholesale power supplier, has been authorized to reduce its rates for wholesale electric power.

---

<sup>1</sup> Case No. 89-311, The Notice of East Kentucky Power Cooperative, Inc. of a Revision to Its Wholesale Power Tariff.

2. Fleming-Mason should be authorized to reduce its rates in order to effect a flow-through of the wholesale power cost reduction from EKPC.

3. The rates and charges in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and will accomplish a flow-through of the power cost reduction from EKPC.

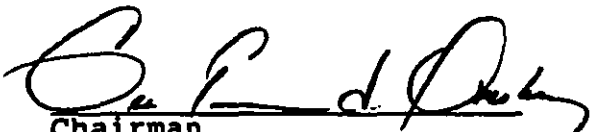

IT IS THEREFORE ORDERED that:

1. The rates and charges in Appendix A are approved for service rendered by Fleming-Mason on and after January 1, 1990.

2. Within 30 days from the date of this Order, Fleming-Mason shall file with the Commission its revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 4th day of January, 1990.
